

A vertical photograph of a forest floor covered in fallen leaves. The leaves are a mix of vibrant reds, oranges, and yellows, with some green ones interspersed. Sunlight filters through the canopy of trees above, creating bright highlights on the leaves and the trunk of a large tree on the right side. The overall atmosphere is warm and autumnal.

Show them all the beauty they possess

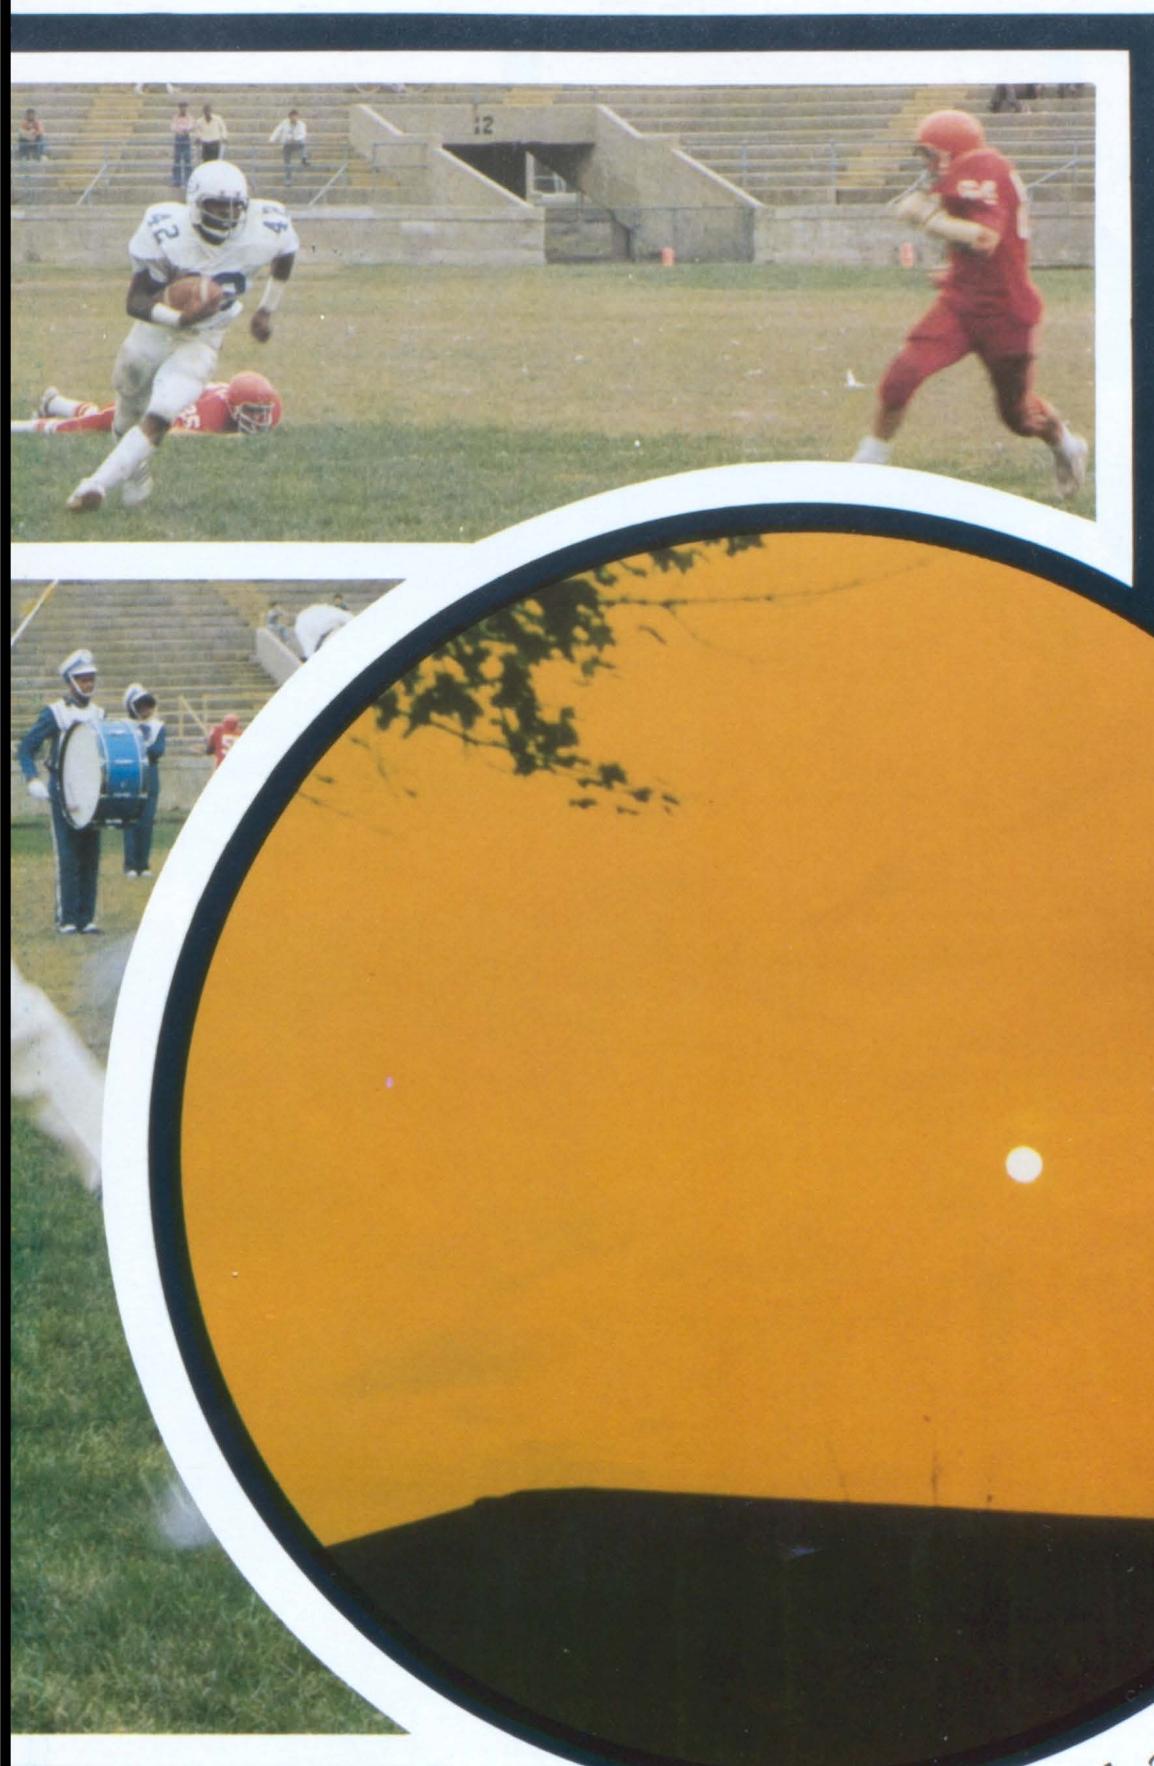

Ev'rybody's searching for a

I learned
so lonely place to be,

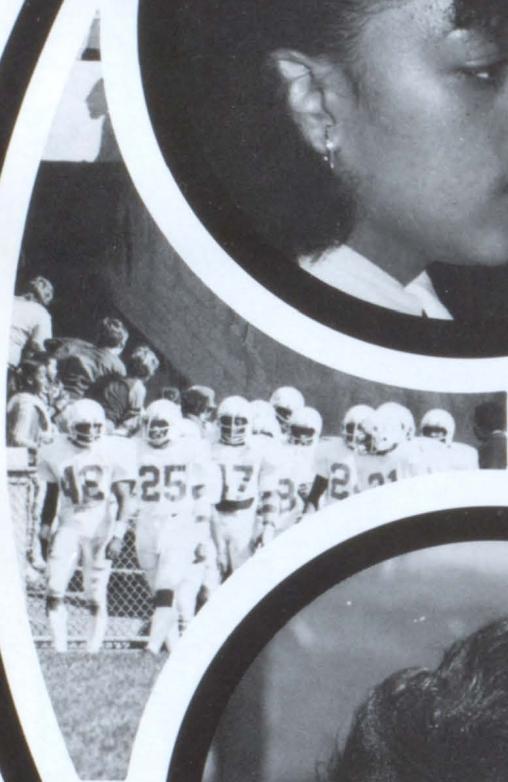

ever found anyone who fulfilled that need,

Laugher' remind us how we used to be.
Let the children's

And if by chance that
special place
that you've been dreaming
of

Suddenly,

we are soberly aware

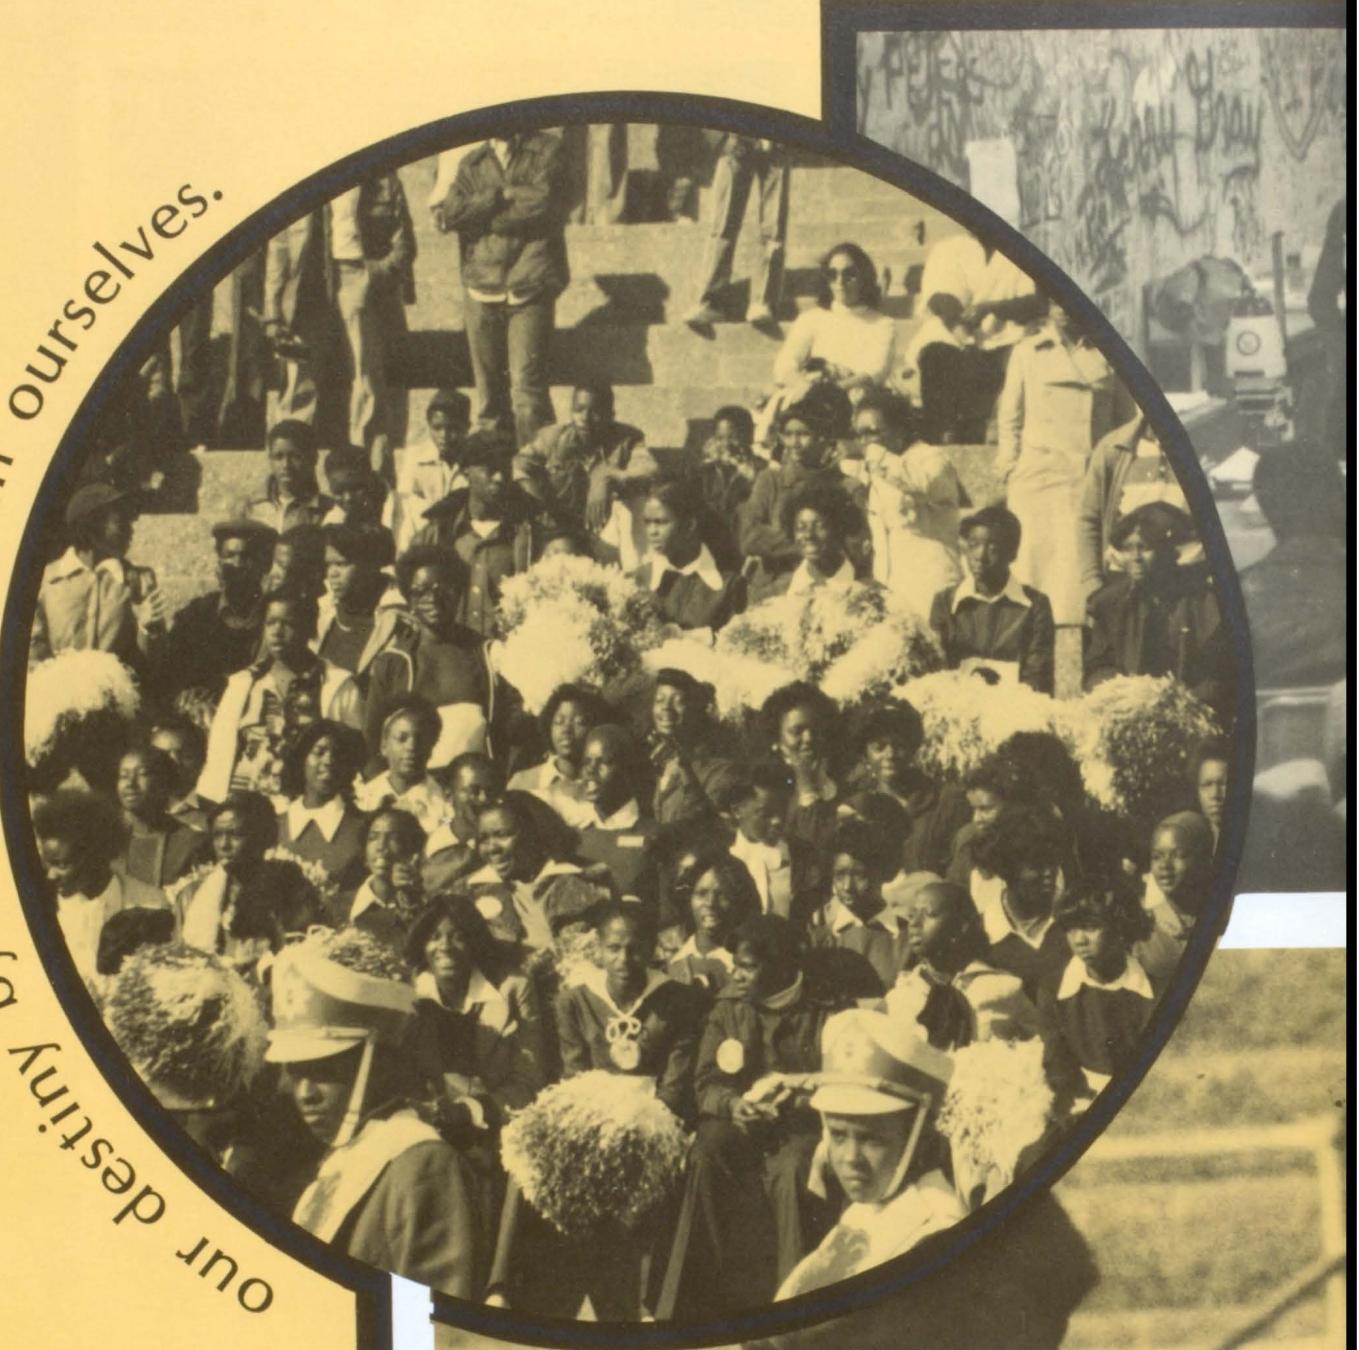

the dismal and jubilant times are behind us.

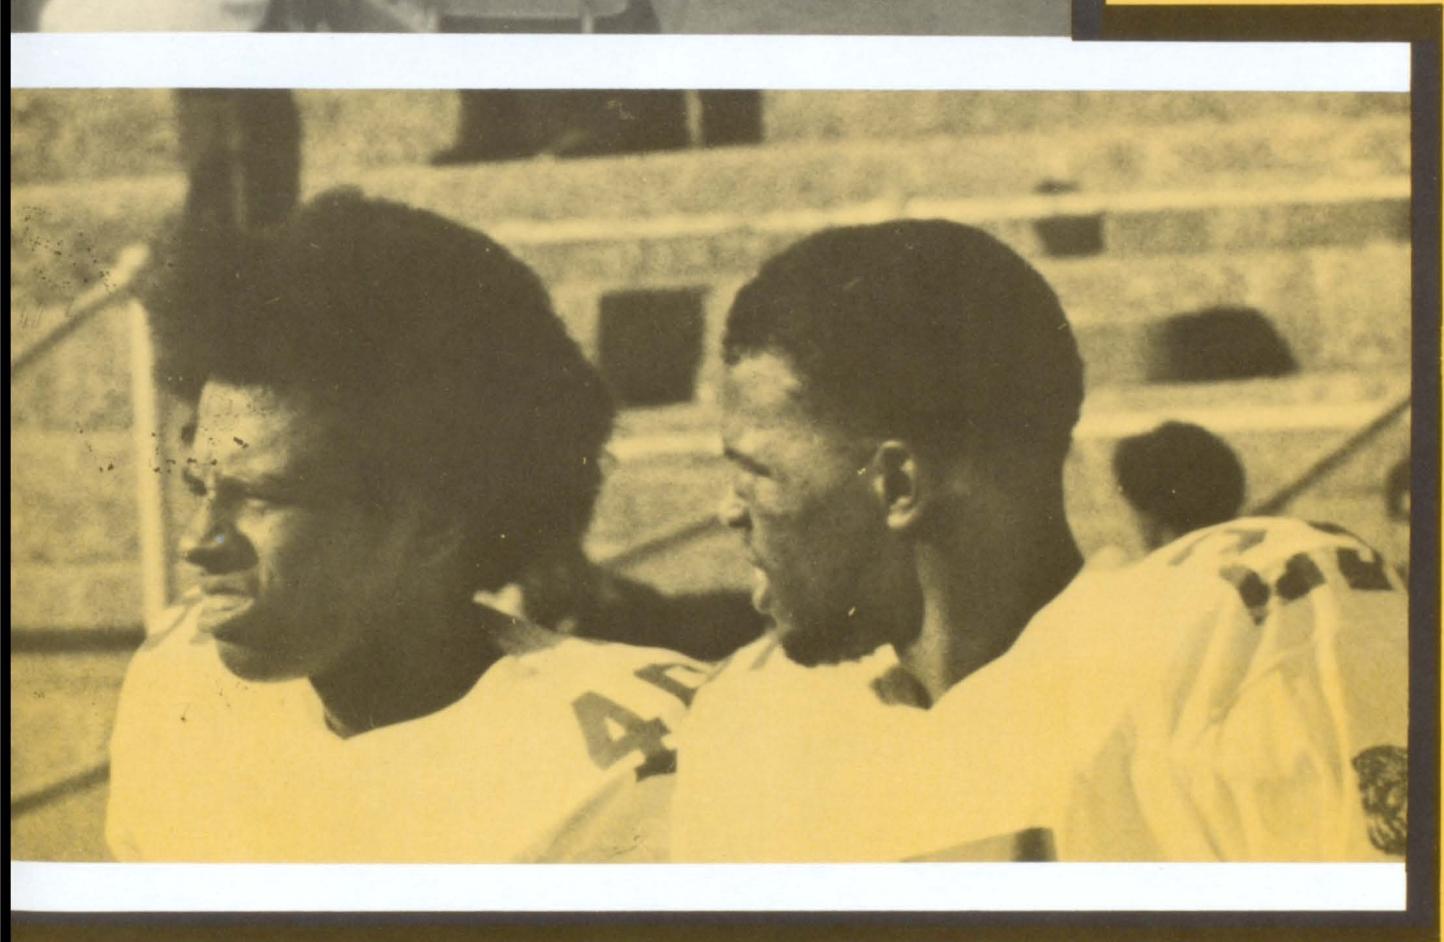

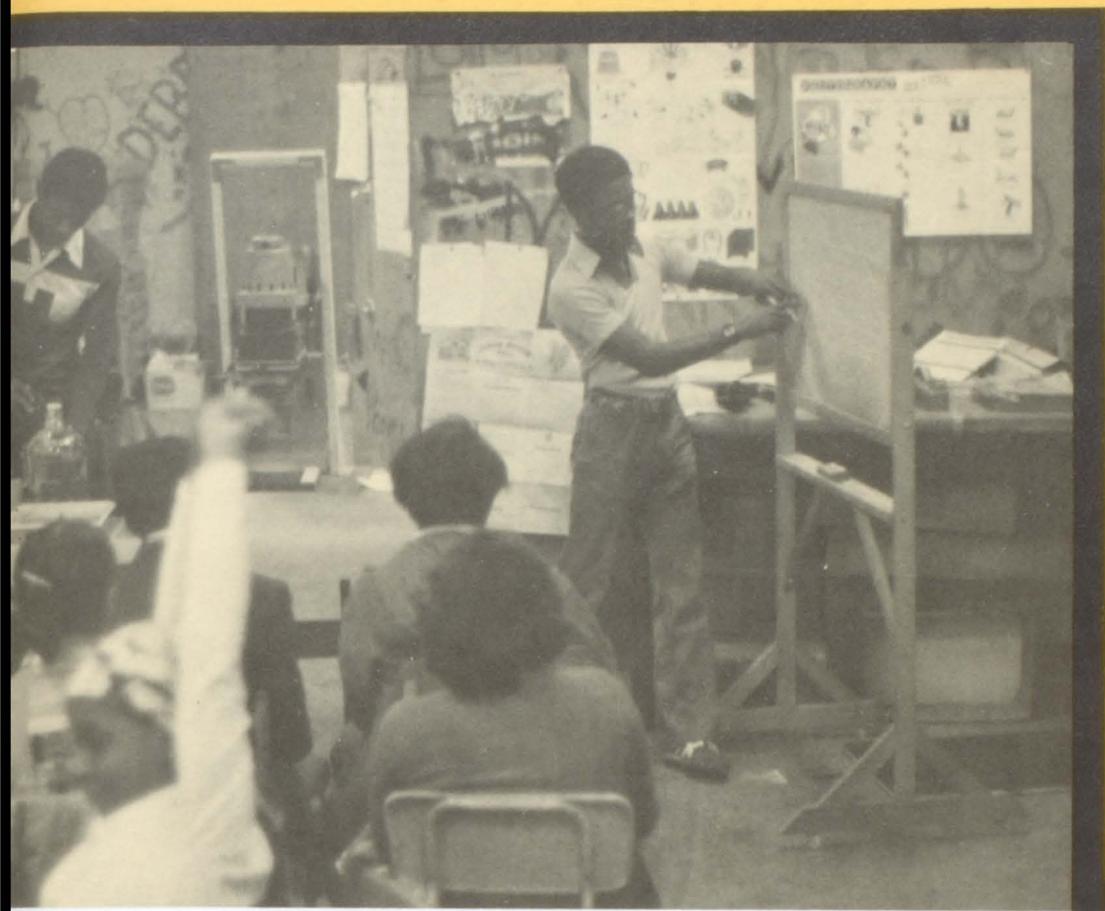

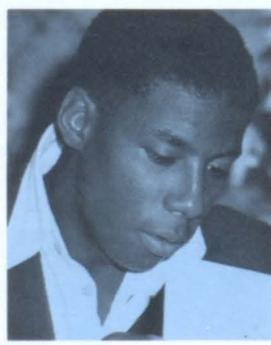

The Smiles, the tears - all

Our destiny
by looking within ourselves.

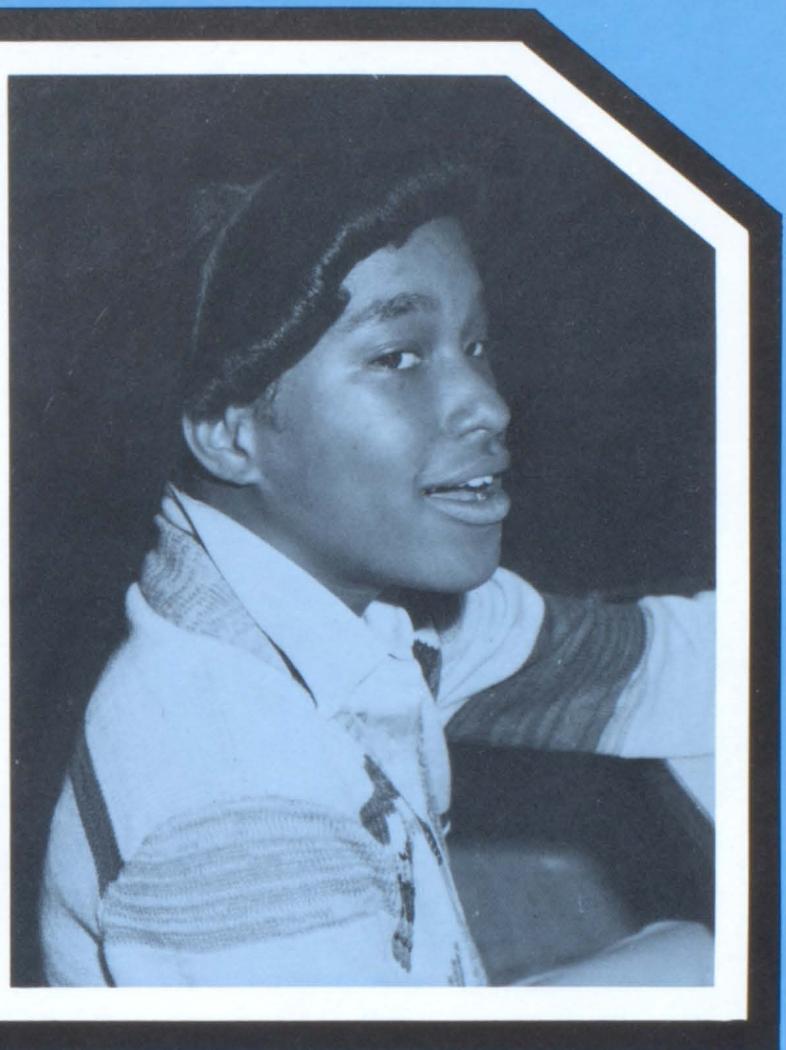

We try to find

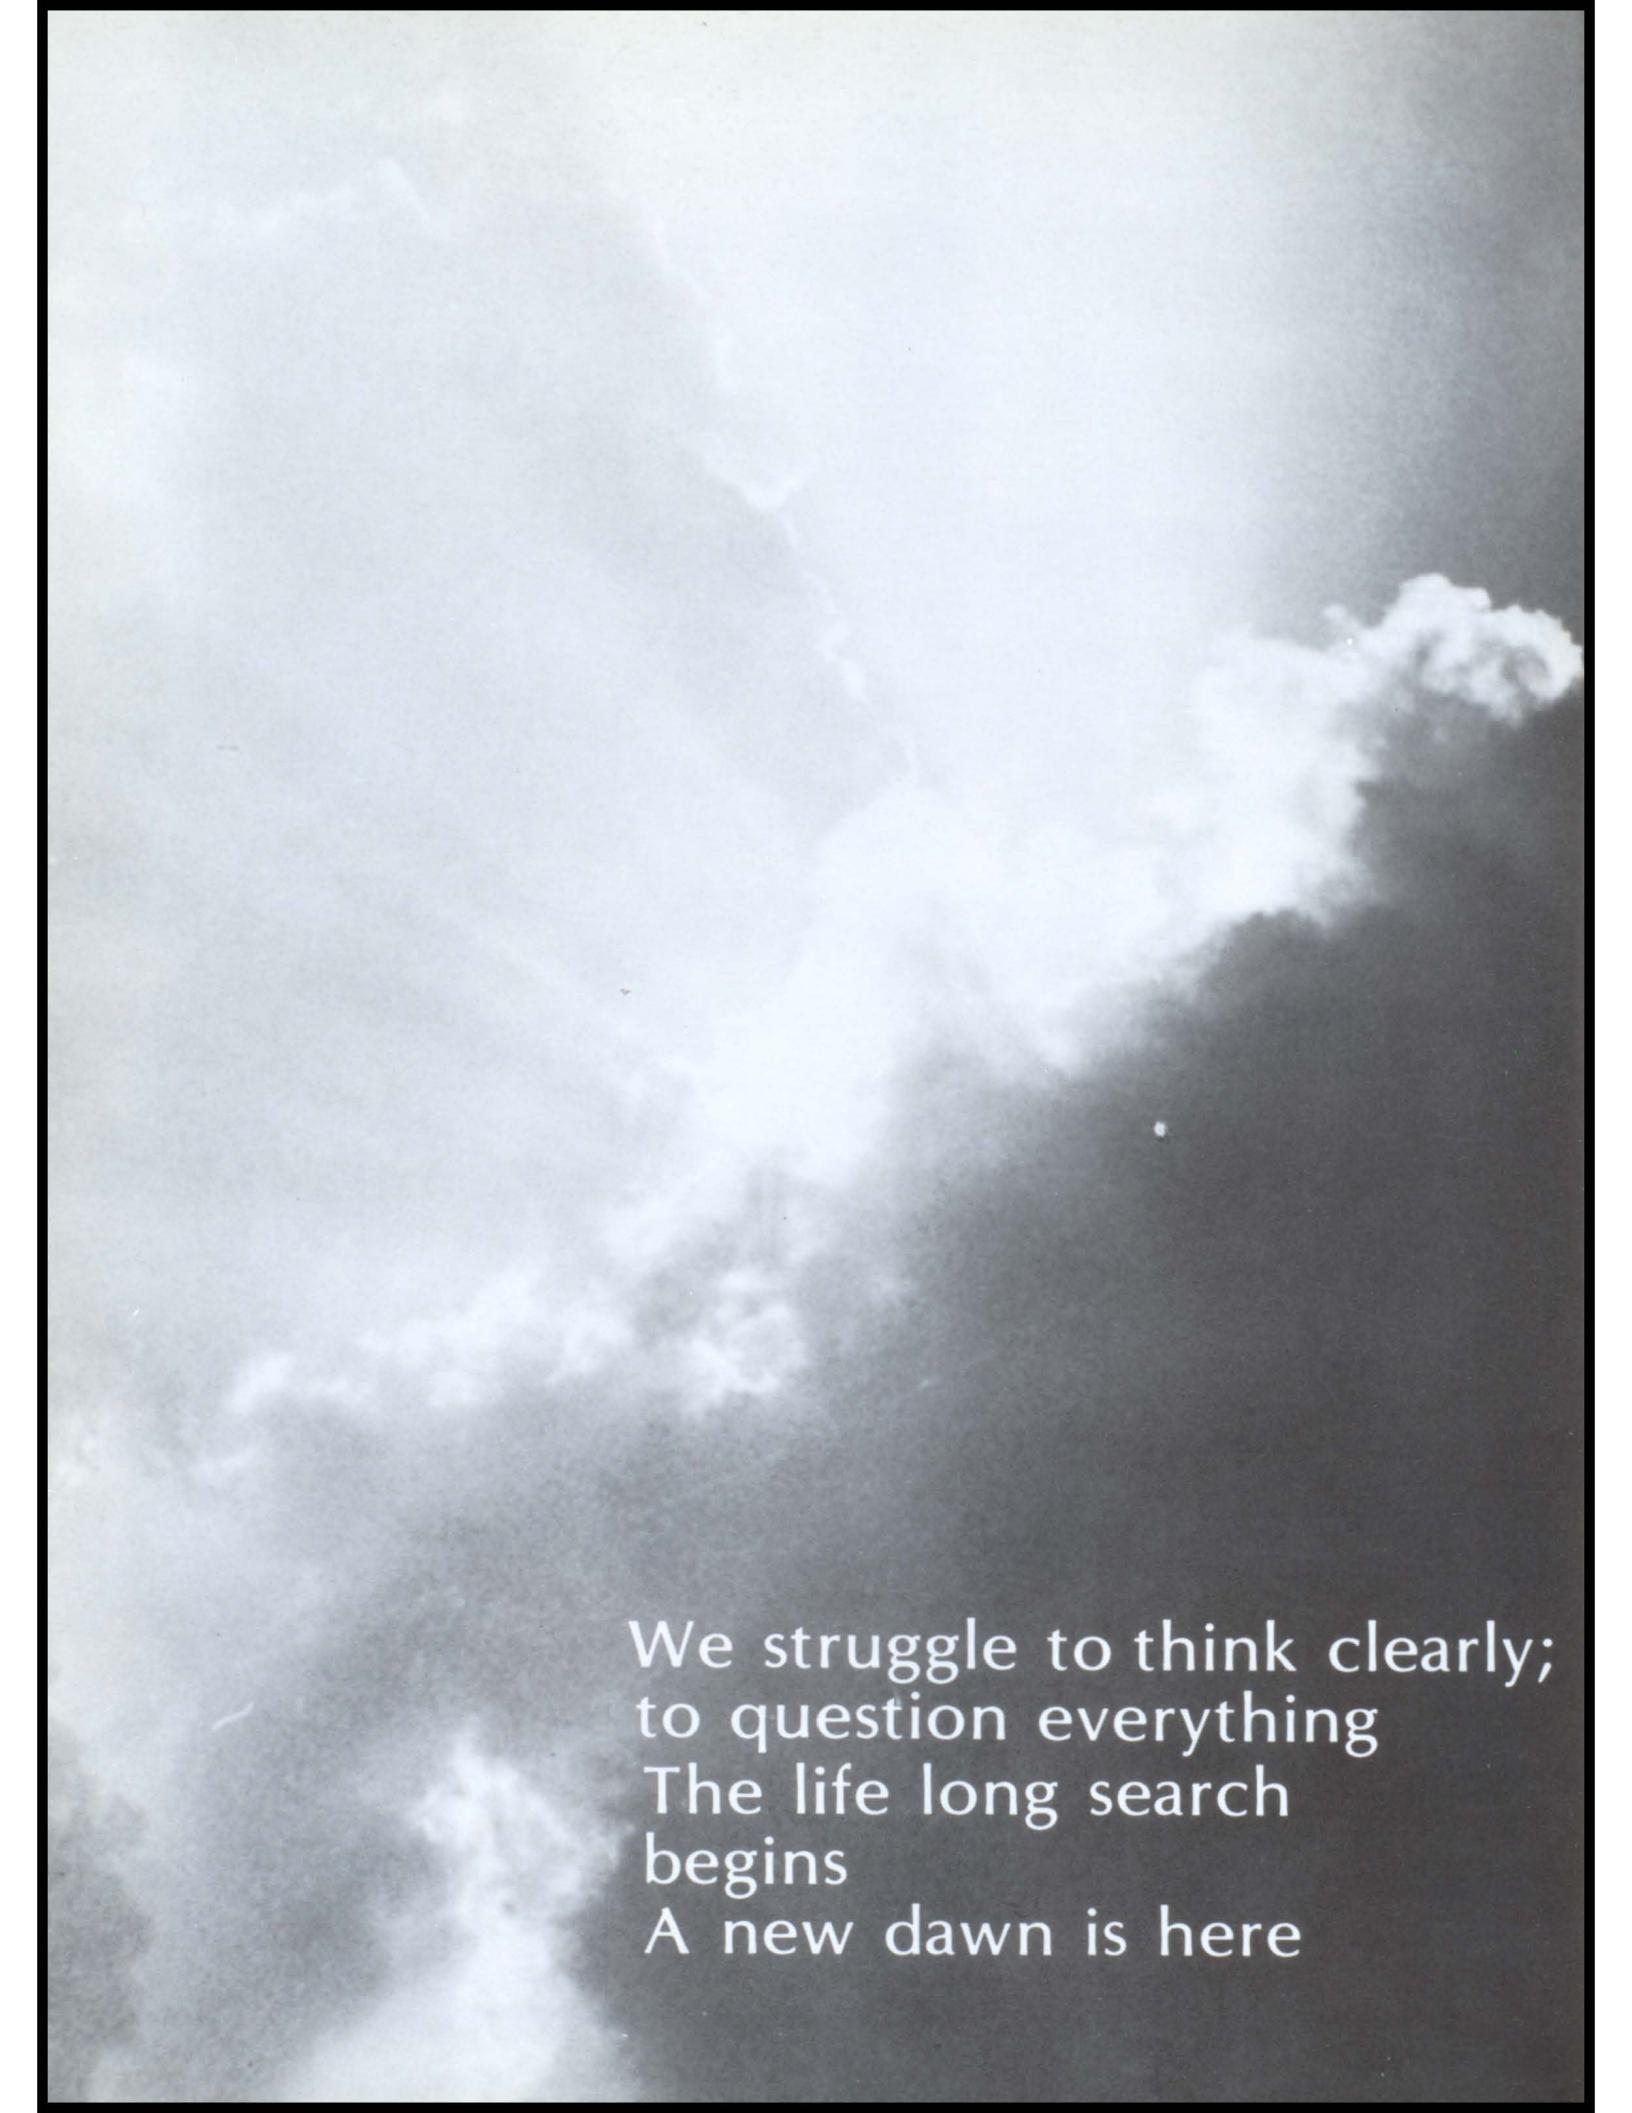

Our future is a chal/

enge, The first step will signal our direction

We struggle to think clearly;
to question everything
The life long search
begins
A new dawn is here
